Filing a Claim

The easiest way to use your funds is by using your Flex Facts debit card at the point of service. The card can be used at any medical or dependent care facility that accepts MasterCard. You can also use your card at most pharmacies. When you use your card funds are automatically deducted from your account to pay for eligible expenses. Please note that you should retain all of your receipts. The IRS requires that we request copies of receipts for certain claims. If you are required to send in receipts an e-mail or letter will be sent to you the business day after you use your card.

If you are not able to use your card at the point of service you can file a claim online, by fax or by mail.

- To file electronically log into your account, click on the "Request Reimbursement" link under "My Accounts" on the top left hand side of the screen then follow the on-line instructions.
 - To file via fax or mail complete a Claim Form and send it along with a copy of the receipt/invoice to:
 - Flex Facts Claims Department, 1200 River Ave, Suite 10E, Lakewood, NJ 08701
- Fax 877-747-8564
- You can download the claim form at www.flexfacts.com or request a copy from your human resources representative.

Manual claims are reimbursed via direct deposit or manual check. To speed up the reimbursement process please sign up for direct deposit by logging into your account as described below.

If you should terminate employment for any reason your card will be deactivated. You will have 90 days following the date of termination to submit manual claims that incurred while you were an active participant in the plan.
