IMPORTANT TO REMEMBER!

Here are some tips to help you get the most out of your DeltaVision benefits:

- Copays apply to all benefits except where noted.
- When the benefit includes an allowance, you are responsible for charges over that allowance in addition to the applicable copay.
- When you visit an in-network provider, you are responsible for your exam copay at the time of your visit and your materials copay at the time of your purchase.
- If you use an out-of-network provider, you must pay the full cost of the services provided at the time they are received. Submit your claim to DeltaVision within 12 months of the date of service for reimbursement. You will be reimbursed up to the amount shown, less your copay.
- Exam and material frequencies will restart at the beginning of each calendar year. Your benefit year runs from January 1.
