The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, [insert contact information]. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. | Important Questions | Answers | Why This Matters: |
|--|--|--|
| What is the overall <u>deductible</u> ? | <u>network and out-of-network providers</u> : \$3,000 Individual / \$6,000 Family Benefit Period: Per Plan year. | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meet the overall family <u>deductible</u> . |
| Are there services covered before you meet your <u>deductible?</u> | Yes. <u>Preventive care</u> , Prescription Drug and Physician services are covered before you meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> . |
| Are there other deductibles for specific services? | Νο | You don't have to meet <u>deductibles</u> for specific services. |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | network and out-of-network providers: \$5,500 Individual / \$11,000 Family; | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. |
| What is not included in the <u>out-of-pocket limit</u> ? | Premiums, balance-billing charges, penalties for failure to obtain Preauthorization, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the <u>out–of–</u> <u>pocket limit</u> . |
| Will you pay less if you use a <u>network provider</u> ? | No. It is an open access <u>plan</u> . However, the plan does provide a physician network through the MultiPlan PHCS Practitioner and Ancillary Network. A list of <u>network providers</u> can be found at <u>www.multiplan.com</u> or call 1-888.342.7427. | This <u>plan</u> is an open access <u>plan</u> |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No | You can see a <u>specialist</u> you choose without a <u>referral</u> |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
